

SURETY BONDS: BUILDING A ROCK SOLID COMPETITIVE EDGE

Presented by

Matt Smith
of
Smith Insurance & Bonds

Nic Dashko
of
Travelers

Registrants will leave with the knowledge and guidance that is needed from the surety bond industries perspective on how to:

- *Get prequalified for bid, payment and performance bonds, increasing exposure and job size*
- *Understand importance of financial presentation to the bonding company, including the year-end financial reporting and the work in process schedule*
- *Know the roadmap to stay bonded and marketable to the surety industry*
- *Negotiate indemnity when the time is right*
